## New Year at Bedruthan

### Arrival Day Wednesday 30th December

Bedster bunny will be waiting to welcome you on arrival before you head off to relax for the afternoon while the children enjoy the performing arts workshop. If you arrive before lunch, why not try one of our delicious lunches in Cafe Indigo. Later on, our yummy afternoon tea will be served in the ballroom just in time for the fun to start again with the infamous 'Bedruthan's Got Talent' show. This is a must for all those budding artists and for the rest of you who just want to be thoroughly entertained...don't forget your dancing shoes, instruments and supporting acts!

With tired offspring tucked up in bed or safely in the children's clubs, join us for wine tasting with a local expert followed by our mouth watering dinner. The evening entertainment includes spectacular Samba dancers showing off their moves plus a Poker tournament, just for fun, in The Space.

### Thursday 31st December

The countdown begins from here. Whatever the weather, we will be having fun all day and would love you to join Bedster Bunny and Percy Pig in our game of hide & seek with the animals! Let the children scream with laughter trying to outwit our animals and join in our games.

Take time to indulge in a spa treatment, enjoy lunch in Cafe Indigo or just relax by the fire before joining us for afternoon tea. During the afternoon, chef will be on hand to show the kids how to make some delectable treats too!

The evening celebrations kick off with a fancy dress party for our youngest guests to include party games, fun and frolics and a scrummy tea. A fancy dress party & disco for the over 7's follows - strictly no parents allowed! For children that want to stay up late, book into our children's clubs where the fun carries on until 12.30am allowing you to enjoy our special gala night for grown-ups.

The celebrations commence with a champagne reception followed by an appetizing dinner complemented by specially selected wines. After dinner, it's time to put those dancing shoes on and see the New Year in. Back by popular demand we have the sensational singer, Aloma with her band Plan B. End the night with a bang and bring in the New Year watching our stunning fireworks display at midnight.

### Friday 1st January 2010 Happy New Year!!

Enjoy a very welcome lie-in while our friendly children's department pick the children up from your room, take them to breakfast and entertain them until 10am.

We hope you'll be ready to blow the cobwebs away and start the New Year with our coastal food foraging walk. Return for to a tasty American style brunch serving pancakes with maple syrup to homemade burgers and salt beef sandwiches.

Get all the family together for movies, popcorn and a fabulous puppet making workshop courtesy of Jacolly. For the older ones, let them show off their skills in our wii tournament while you chill out and enjoy our afternoon tea. Later on, there will be smiles all round with The Jacolly Puppet Theatre & Dogworthys Magic Christmas Show keeping entertaining the kids while you relax with newfound friends and rest your weary head. In the evening enjoy another delicious meal followed by tears of laughter courtesy of our comedy act, Johnny Cowling who was definitely a big hit last year!
